

2012 Fusarium Workshop

March 30, 2012

Location: Max-Planck-Institut für terrestrische Mikrobiologie (MPI)
Karl-von-Frisch-Straße 10

Meeting Co-organizers

Bettina Tudzynski (bettina.tudzynski@uni-muenster.de)

Corby Kistler (hckist@umn.edu)

The fee for participation is 20.- Euro (lunch and coffee break)

We invite people to submit abstracts for a small talk (10 min. + 5 min. discussion) to Bettina Tudzynski or Corby Kistler by e-mail (deadline: 20th of January 2012). The scientific Fusarium committee will select the talks and inform the speakers by 20th of February 2012.

Topics:

1. News in the genome sequencing field
2. Secondary metabolism
3. Pathogen-host interactions
4. Functional genomics (e.g. RNA-seq)

How to come to MPI:

Up arrival at Frankfurt Airport, take a train via Frankfurt Hauptbahnhof to Marburg Hauptbahnhof and then a taxi to the Max Planck Institute (10-15 min).

By car:

From the south via Frankfurter Kreuz, take the A5 autobahn to Gambacher Kreuz, then the A45 to Gießener Südkreuz. Pass Gießen on the A485, then join the B3 and exit at Marburg-Süd). Follow the road signs to Uni.-Lahnberge, finally turning right onto Karl-von-Frisch-Straße (signpost for the Botanischer Garten).
